# MOLDINGS

Showplace offers extensive molding options, ranging from subtle and understated to elegant and ornate. Specify moldings in a wood and finish to match your cabinets, or opt for a contrasting look. You can also stack or combine your moldings. You'll find base moldings for a furniture-like floor transition, as well as special under-cabinet moldings to finish off wall cabinets. What is shown here too is just a sampling. To see the full range, talk to your Showplace designer.
